Boat Rules / Lake Carl Blackwell July 2024-2025

- All boats will be properly permitted with either an annual or daily permit.
- Permits must be visible in the front windshield of the vehicle pulling the trailer.
- Annual permit stickers must be affixed to the starboard side up front by the Ok State ID Sticker.
- Boat direction is always counterclockwise in the ski zone boat-approved areas.
- No skiing, tubing, or PWC use is allowed west of the buoy line.
- The buoy line represents the beginning of underwater treetops to the west of this buoy line.
- Boats must always have the following safety features on board.
 - One wearable USCG-approved personal floatation device for each person on board.
 - Vessels 16' or longer must have a USCG-approved throwable device on board and accessible.
 - Children under 13 years of age must always wear the PFD while on the vessel.
 - PFD must be in good serviceable condition. They must also be readily available.
 - Navigation Lights: Red & Greenside lights.
 - White Light visible in all directions, whenever moored or anchored.
 - Type B Fire extinguisher on board in an accessible location and in operating condition.
 - Vessels should have on board a whistle, or horn or bell.
- No wake buoys need to be always obeyed.
- No watercraft shall be left unattended. Unattended watercraft may be impounded for safekeeping and eventual disposition. All expenses will be the responsibility of the owner.
- Boats can only be tied off to the shoreline of the site you are renting.
- Courtesy docks are provided for the loading and unloading of boat passengers. Sunbathing, swimming, and fishing from the courtesy docks are prohibited. Mooring on the courtesy docks is prohibited.
- A full list of the State Boating Laws and Responsibilities is available at the LCB Park Office. These rules must always be obeyed.
- **Annual Tenants of LCB that choose to store their boats at LCB in approved areas are responsible for the mowing and weed eating under the trailer. Failure to keep the area mowed and trimmed under the Trailer will result in a fee to the tenant assessed onto their Bursar Account of \$100.00 per instance. Same fee as a non-mowed site.**
